# How to Ask Questions

## Do Not Do This!

“It’s not working for me”

“Urgh I’m getting an error”

“I don’t get it”

“It doesn’t work”

“I get error”

“Why won’t it work”

# How to Ask Questions

## Good Examples

“I’m trying to { What you’re trying to do }, but I’m getting this Error:

{ Copy and paste the error }

This happened when I { Exactly what you did }, I’m working on a { Windows / Mac }”

“I have downloaded { Exact name of file } and when I click on it I expect { What do you expect to happen? } but this happens instead: { Exactly what actually happens }.

“I think I missed what to do next I have just { The exact thing you have just completed } please can you tell me what I need to do next?”

**Thank  
You**
